Dear 6th Grade Families,

We are so excited for our 6th Grade Interim Trip: **Beyond the Horizon**, taking place on Monday, Tuesday, Wednesday, and Thursday, October 12 - 15. We will gather on campus at the TGS Bosque at 8:35 a.m. each morning and will leave for our field trips promptly at 8:45. Please be sure your child arrives on time each day. Afternoon pickup will be at TGS at 3:35 p.m. each day.

The plan for each day is as follows:

Day 1: Pima Air and Space Museum and Rocket Building Challenge at TGS

Day 2: Biosphere 2 and Designing Mars Habitats at TGS

Day 3: Flandreau Planetarium at the UofA and Mars Rover Build at TGS

Day 4: RoadHouse Theater for a movie and Final Team Challenges at TGS

Student lunches will be provided each day. The lunches on Monday will be from the cafe at Pima Air and Space Museum; lunches on Tuesday and Wednesday will be from SAGE dining, with a special Eegee's treat on Wednesday. Lunch on Thursday will be a pizza party and surprise sweet treat. If your student does not like these lunches, please feel free to pack a lunch for them. We did a survey and will provide allergy-free, vegetarian, etc. meals for the students who specified what they needed. In addition, we surveyed students for their popcorn preferences at RoadHouse. Students who cannot eat popcorn let us know via their survey, and we will have an alternative snack for them.

Please be sure students have sun protection and a water bottle each day. They can bring some money for the gift shops on Monday, Tuesday, and Wednesday; they will be responsible for their own money and for carrying their purchases. We will have only a short time at the gift shops.

If you have any questions, please do not hesitate to reach out to Ms. Petersen-Snider.

Thank you!
The 6th Grade Interim Team
