

THE GREGORY SCHOOL
2022-2023 Supply List – 9th, 10th, 11th, 12th Grades

Laptop requirements for Grades 9-12:

All TGS students will need a laptop. For grades 9-12 our expectation is that most laptop computers purchased in the last four years will meet school requirements. Minimum hardware requirements are wireless capability, video (web cam) and audio-in (microphone) capability, USB and display connector.

School supplies for the Upper School are determined by the student's personal notetaking and organizational style. Teachers who have any particular supply requirements will let students know on the first day of classes.

Upper School students may want to have access to the following general supplies:

- #2 pencils
- Black, blue, and red pens
- Highlighters
- Notebooks or looseleaf paper/3-ring binders
- Folders for class materials
- Post-Its

Upper School students should also bring the following to school on a daily basis or keep in their lockers:

- Water Bottle
- Sunscreen/Bug Spray
- Light jacket/shirt
- Personal toiletries
